

Vibrant Med Spa Weight Loss & Wellness Membership Agreement

This Membership Agreement (“Agreement”) is entered into between Vibrant Med Spa (VMS), located at 1101 Satellite View, Suite 502, Round Rock, TX 78665 (“VMS”), and the undersigned client (“Member”). By enrolling in the Weight Loss & Wellness Membership, Member agrees to the terms outlined below.

1. Program Overview

- The Weight Loss & Wellness Membership provides a physician-guided program for medical weight management.
- Membership Fee: \$200/month (billed automatically).
- Enrollment begins on the date of the initial consultation, when the first membership fee is collected. This fee covers the consultation, medical clearance, treatment planning, and access to monthly check-ins, and is non-refundable.
- Medication: Additional cost, quoted during consultation (no hidden markups).
- Minimum Commitment: Three (3) months.

2. What’s Included Each Month

- Monthly medical check-ins (virtual or in-person).
- Customized treatment plan
- Transparent medication pricing, discussed before prescribing.
- Access to preferred pricing on GLP-1 and GLP-1/GIP medications through Vibrant Med Spa’s partner pharmacy network (medication costs are additional and vary by dose and formulation; members may elect to fill prescriptions at another licensed pharmacy if they choose).

Member Perks:

- \$1 off per unit of neuromodulators (“Tox”: Botox, Dysport, Jeuveau)
- 10% off regularly priced body contouring, hair restoration, and sexual wellness packages
- Free shipping on medication & supplies delivered right to your door (if you choose our partner pharmacy)
- Automatic entry into quarterly prize drawings (2 Entries)
- Exclusive periodic members-only promotions.

3. Medication & Lab Work Terms

- Medications will be prescribed only when medically appropriate after consultation, telehealth clearance, review of lab work (unless waived), and treatment approval issued per the medical director's protocol.
- Access to FDA-approved GLP-1 and GLP-1/GIP medications (such as semaglutide and tirzepatide) is provided when clinically appropriate.
- If compounded medications are recommended, they will comply with Section 503A of the Federal Food, Drug, and Cosmetic Act.
- Medication costs vary based on dosage and formulation. Members will receive transparent pricing at the consultation.
- Members may use the pharmacy for which Vibrant Med Spa has preferred pricing (meaning Vibrant Med Spa does not mark up the medication cost) or choose their own pharmacy.
- The pharmacy may change the prices at any time without notice. This is out of our control. You'll be notified should this occur via email.
- Vibrant Med Spa reserves the right to switch to a different pharmacy. You will receive a notification via email with transparent pricing information if this happens.
- Monthly appointments are required to continue medication refills.
- Payment for medication is due before it's ordered unless the client chooses to purchase the medication elsewhere.
- Prescriptions will not be written for delinquent accounts.
- Baseline and periodic lab work (every 6 months) is highly recommended. If you choose not to complete lab work or begin treatment before results are reviewed, you must sign an Informed Consent Waiver. Vibrant Med Spa does not cover lab costs, though discounted rates are available at Any Lab Test Now! for members.

4. Commitment & Billing

- Monthly fees will be charged automatically to the card on file on or around the enrollment date.
- **AUTO-RENEWAL DISCLOSURE: After the initial 3-month minimum commitment, your membership will AUTOMATICALLY RENEW on a month-to-month basis. Your card on file will continue to be charged until you provide a valid cancellation notice at least 30 days before your next billing date. You may cancel by email, text, or through your patient portal. By signing this Agreement, you acknowledge and agree to this automatic renewal.**
- You may request to change the payment date at any time, though if it goes beyond 30 days of your original monthly charge date, the membership is subject to cancellation.
- You may change the payment method in your patient portal or by calling VMS. Please do not submit credit/debit card information in writing.

- If the payment is declined, you will be notified by email and text. VMS will make 2 attempts to process the payment with the card on file, approximately 5-7 days after the first (second if applicable) payment is declined.
- If the payment is still not received 30 days from the initial charge attempt, VMS will consider the account in default and reserve the right to cancel the membership without notice.
- Memberships in default within the first 3 months are subject to the \$250 early termination fee charged to the card on file unless other payment arrangements are made with VMS.
- If the 3rd monthly payment is declined and the account is not brought current within 30 days, a \$250 termination fee will be charged.
- VMS reserves the right to refuse to restart memberships that have been canceled more than twice due to insufficient funds.
- Medication will not be ordered or prescriptions written if the account is delinquent.
- Vibrant Med Spa Gift Cards or account credits may not be applied toward medication costs.
